Attn: Mr. Vincent Kafer

We want to thank you for the opportunity to submit a quote for maintaining the pool at the above mentioned property. We propose the following service:

A Blue Pools technician will make three trips per week to perform the following services:

1. Vacuum the pool three times per week.
2. Test chlorine residual, pH, and total alkalinity, and adjust as needed each trip.
3. Brush walls, steps, and floor, as needed.
4. Clean tile each trip.
5. Skim surface of water each trip.
6. Empty skimmer and pump basket each trip.
7. Clean filters as needed to maintain proper flow rate in accordance to Palm Beach County Board of Health.
8. Keep overflow gutters clean each trip.
9. Make sure the Health Dept. log is completed each trip.

Our charge for the above services will be \$390.00 per billing cycle (every four weeks).

This price does not include stabilizer which is added every three to four months as needed at \$4.00 per pound. Blue Pools, Inc. will supply chlorine and all other chemicals that are used routinely every week. Exceptions to this would be chemicals used over and above normal weekly usage due to leaks and/or acts of God.

A payment is due upon receipt of statement, no later than 30 days of the statement date, for Services already rendered.

Acceptance of proposal

The above prices and specifications and conditions are satisfactory and are hereby accepted. Blue Pools Inc. is authorized to do the work as specified.
